

# Hearts for Kylee TOILETRY & BAND-AID DRIVE (due by Sun, January 24th)

Please help us support the **“HEARTS FOR KYLEE” Foundation** and bring in unopened/unused toiletries to Park Avenue Gymnastics no later than Sunday, January 24th, 2016.

The **HFK Foundation** will then make up essential bags to give to families who have children in the Pediatric ICU at Joe DiMaggio Children’s Hospital.

**Requested Items include:** Band-aids, Shampoo, Conditioner, Shaving Cream, Razors, Mouth Wash, Nail Polish Remover, Nail Files, Cotton Balls, Q-tips, Body Wash, Toothbrushes, Toothpaste, Soap, Travel Laundry Detergent and more. **Any travel sized toiletries would be great!**

Any band-aid brands are acceptable, as long as the band-aids have designs or characters on them. **PLEASE NO PLAIN BROWN BAND-AIDS!**

Kylee was a very special Park Avenue gymnast, that we lost in May of 2015. We miss her dearly. Thank you in advance for your participation!

Love,  
The Park Avenue Gymnastics Family

Hearts for Kylee Foundation's mission is to provide emotional support and non medical financial assistance to families of young children hospitalized in Joe DiMaggio Children's Hospital with serious heart conditions. The foundation will lessen the burden placed on families by subsidizing the cost of meals, transportation, and other miscellaneous expenses of families needing help while visiting their sick children in the hospital.
